- d. OXCART Contract Number TM-1504, David Clark Co. - [redacted]

This contract was originally funded for [redacted]  
Towards the end of FY 66 it was realized that  
we would not require this total amount, so [redacted]

NRO

[redacted] was deducted, leaving a [redacted] contract.  
At this time, the Government has completed an  
audit, and with the change in overhead rates,  
it is necessary to add the above amount to  
satisfy the final contract termination.

- e. IDEALIST Contract Number TM-513, [redacted]

25X1

NRO

25X1

This contract was originally funded for [redacted]  
and the above amount is required to close out  
this time and material contract. Overruns were  
determined to be caused by work requested by  
the Technical Monitors.

- f. IDEALIST Contract Number CH-900, Task Order 6 -  
Perkin Elmer Corp. - [redacted]

This original contract for development and  
fabrication of 15 light weight tracker cameras  
and support equipment was funded for [redacted]  
This overrun has been reviewed critically by the  
contracting officer and he concurs in this  
slight additional cost.

NRO

- g. IDEALIST Contract Number RFC-3300 - Task Order 2 -  
Firewel Company - [redacted]

25X1

This contract was originally funded for [redacted]  
This slight overrun is the amount requested by  
the contractor and is felt to be correct by the  
contracting officer. An audit will be held  
when the contract is finalized.
